the question is, shall the debate now close on Senator Chambers motion? Now, the question is shall the debate now close. All those in favor will vote aye. All those opposed will vote no. You are voting to close debate on Senator Chambers motion. Thank-you. Clerk will record.

CLERK: 33 ayes, 4 nays, remainder not voting.

PRESIDENT: The debate will now close. Senator Chambers do you care to close on your motion? Senator Chambers is now closing.

SENATOR CHAMBERS: Mr. President, I say again the budget committee and Senator Marvel signed his name to those Amendments, had 11 pages of Amendments. Now when we come back after the Easter Vacation, I'm going to collect the articles where Senator Marvel himself, said he was dissatisfied with what the Governor proposed. I'm going to present these statements that the Governor made about asking for additional appropriations before it can be said that the Legislature is passing the budget proposal which he asked for. I think we ought to go ahead and resolve it now, then wounds can be licked over the Easter Vacation and when we come back, everything will be out of the way and the air will be clear. If we don't do it, then we are going to go through after the Easter Vacation everything we've gone through before, because I assure you and I promise you, that every step of the way, every day, every hour, on the hour, if possible, I'm going to seek to undo what we have done, with reference to LB 259 and the implications flowing there from.

PRESIDENT: Will the Clerk please read the motion by Senator Chambers.

CLERK: I move that Bills on final reading be read in the order they come up on the work sheet.

PRESIDENT: That's the issue and the question is, if you support that motion you will vote aye. If you do not, you will vote no. Have you all voted? Clerk will record.

CLERK: 9 ayes, 25 nays, 15 not voting.

PRESIDENT: The motion is lost. We will move to final reading. Beginning with LB 22 followed by, if you care to make a list of these perhaps you, might make it easier for you, if you want to do this. I have 22, 73, 290, 319, 319A, 332, 402, 408, 415, 455, 482, 492, 498, 501, and 546. That way if there is some controversy, regarding those I would presume that would give you some type of preparation. Now Senator Waldron for what purpose do you rise?

SENATOR WALDRON: Mr. President I ask that, I need to ask a question. Was 110 on that list? LB 110.

PRESIDENT: 110 is not on my list for consideration of final reading this morning.

SENATOR WALDRON: A, may I ask who made up the list, ask him a question why 110 is not on the list?

PRESIDENT: A, good question. Senator Marvel.

SENATOR MARVEL: If anybody has any objections, we have a fiscal staff over here that sets them. I suggest you come over and check with them.

SENATOR WALDRON: Well 110 doesn't have a fiscal impact, but it
